## **NEWS RELEASE**

November 3, 2005

### **North Dakota Lottery Subscriptions Now Available**

Bismarck – North Dakota Lottery Subscriptions for Powerball and Hot Lotto are now available for players to purchase for 26, 52, and 104 draws.

“Subscriptions are a convenience for players who can’t always get to one of our lottery retailers before every drawing,” said Chuck Keller, North Dakota Lottery Director. “Senior Citizens heading to warmer destinations for the winter can still play in North Dakota rather than in other states,” Keller said.

Players must fill out a subscription application. Applications are available at all 400 Lottery retail locations and on the Lottery’s website. Applicants must be at least 18 years of age and have a North Dakota mailing address in order to obtain a subscription.

All subscription applications go to the Lottery’s office in Bismarck. Players will receive a letter confirming their subscription. A player’s numbers will be entered into each Wednesday and Saturday draw of the subscription period for the game.

Players winning \$5 or less will receive an automatic extension to their current subscription, one additional draw for each dollar won. Players winning more than \$5 will receive a check from the Lottery. Players that win prizes of \$600 or more will be notified by the Lottery.

“Subscriptions are the ideal gift solution for that hard to buy for family member or friend,” said Keller.
